

Year 6 to Year 7 Transition to High School

Dear parents/carers of Year 6 students.

To enrol your child in Year 7 for 2026, you will need to complete an Expression of Interest for high school. The Expression of Interest (EOI) lets you indicate which school(s) you would like your child to attend in Year 7.

The EOI process for 2025 will be available online between week 6 and week 9 of term 1 through the enrolment tab and “Moving to High School” link on our website.

If your child will not be attending a NSW Government high school next year, please complete a Placement Not Required form within the same link.

After you submit an EOI and it has been assessed, your child will be offered a place at a high school.

If you are unsure whether your child will be attending a NSW Government school (you’ve applied for a private school, or you are moving interstate), we ask that you still complete an EOI and follow up with your school once a decision has been made.

The online process will guide you through your options and collect the information required to make the transition to high school as smooth as possible.

For parents/carers who are not able to complete an application online, a paper EOI form can be collected from the school office. Please contact the school if you need to collect a paper copy.

A link to the online EOI form will be sent out to parents via School Bytes.

Please complete the EOI by the 28th of March. The portal is closed after this date.

If your email address has changed or you haven’t provided one, please call the school office on 4977 1122 to update your details.

If you have any questions or require further information, please contact the school.
