

I AM STARTING BIG SCHOOL AT COORANBONG PUBLIC SCHOOL!

We acknowledge the traditional custodians of the land on which Cooranbong Public School is built.

This is my new school. It is called **Cooranbong Public School.**

These are the steps where I go into my school.

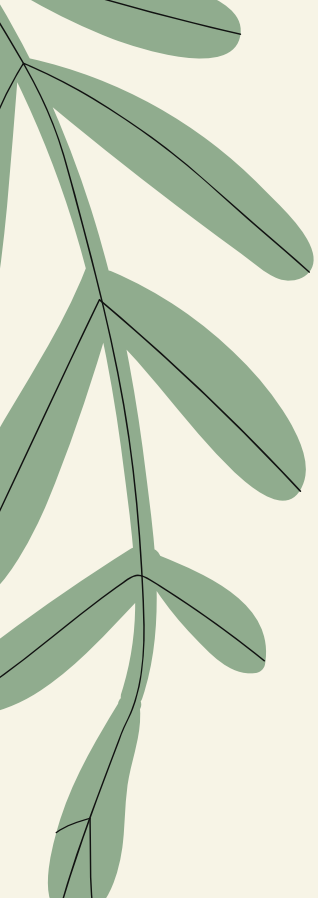

You might see some teachers wearing masks. Some students might be wearing masks too. You may not be able to see their smiles but they are happy to see you.

This is the principal whose name is Mr Myers. This is the principal's office. The principal looks after all of the teachers and children at school.

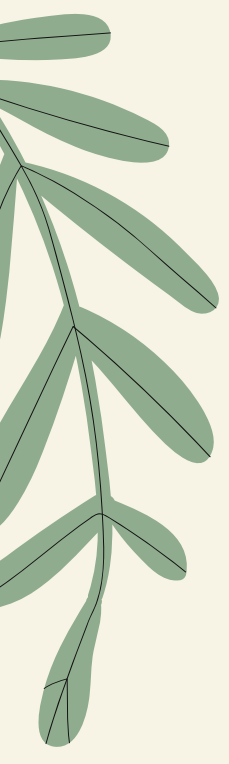

I wear my uniform to school. I wear my hat outside to protect me from the sun.

There is a canteen at school where I can order my lunch or buy food at lunch.

This is the classroom and the playground. A bell will ring when it is time to play and time to go back to class. I wash my hands when I come into the classroom.

I put my school bag outside my classroom.

There are lots of different playgrounds in the school.

We get to have lots of fun at Big School!

meet you!**

There are big kids at school. The children in Year 6 are the oldest and they look really big. Sometimes some of these big kids can be your friend or buddy at school and help you and play with you.

My school has a special room called a library with lots of wonderful books. I can take some books home in my library bag so my family can read them with me.

When I am going home I say goodbye and smile and wave to the teachers and the other children.

Your new teachers and friends at Cooranbong Public School are looking forward to meeting you!
