

PRINCIPAL'S MESSAGE

It's already half way through Term 4. The students and staff enjoyed a fantastic Halloween Disco last night. I heard the costumes were creative and some were even a bit scary!

The teachers have attended Professional Learning Sessions after school all last term and this term they continue to do extra sessions after school. This Saturday and later in November, staff will be working full days on NAPLAN analysis and whole school planning. I'd like to thank the teachers for their dedication, and to let them know we appreciate them giving up valuable family time to ensure each student at Cooranbong Public School has the most up to date learning experiences.

Thank you to everyone who has returned their raffle tickets. If you haven't done so already we must have all tickets back tomorrow. We must account for all tickets sold or not.

Don't forget to come to the P&C meeting next Monday. All parents and community members are encouraged to support the P&C who work so hard and contribute so much to our school community.

It was reported to me last week some parents are leaving small children unattended in cars while they come into the school. This is very dangerous and illegal. As a mandatory reporter for Child Wellbeing I am required by law to report any behaviours or actions that put a child's wellbeing at risk. **BARB BEATTIE**

UPCOMING EVENTS -

5 November	P&C Meeting @ 4.30pm
8 November	Parent Info Session for new Kindy parents/carers @ 9.30
9 November	Whole School Level 1 Assembly @ 12.45pm
15 November	Toy Fair in hall for Stage 1
16 November	Whole School Assembly @ 12.45pm – Student Leader speeches
12-16 November	Kindy 2013 Orientation visits

Our Kindy class recently had a visit from 2 baby possums both of which are being cared for by a local family after being injured. They were so cute and the children got to have a little play with them.
