This year at the Family Fun Night the students from the Kidpreneur program will be hosting a Lego Exhibition. We are now calling for all the Lego Builders to get creative and build something amazing to enter into the competition. It doesn't have to be a particular set it could be your own creation. Everyone who enters will go in the draw to win some great prizes!

Each entry must have an entry form and gold coin donation. Entry forms will be available from your teachers.

Visitors to the Lego Exhibition on the Family Fun Night will have a chance to vote for the winning creation.

Students will also bring home a colouring-in sheet so they can enter into the colouring-in competition. These must be returned to school by Wednesday 2 December. These will also be available from the teachers.

All money raised will go into the Kitchen Garden and Kidpreneur program.

Our Mission - cure cancer

THANK YOU

For taking action against cancer by being a part of Tour de Cure's WOOLIES ON WHEELS 2015 Tour.

The team loved being able to share our 'Be Fit, Be Healthy, Be Happy' cancer awareness and prevention message with you all.

Your support is invaluable in our work towards funding cancer research, support and prevention projects.

We couldn't share our message and fund these vital cancer projects without the generous support of Cooranbong Primary School
